REMARKS

Applicants appreciate the thorough examination of the present application that is reflected in the Official Action of October 3, 2005, and the indication that Claims 1-22 are allowed, and that Claims 50 and 52 are directed to allowable subject matter.

Claims 1-30 and 49-52 were pending as of the date of the last Office Action. As noted above, Claims 1-22 were allowed, in the last Office Action, and Claims 50 and 52 were found to be directed to allowable subject matter. In order to put the case in condition for allowance, Applicants have cancelled Claims 23-30 and 50. Applicants have likewise amended Claim 49 to incorporate the recitation of Claim 50, and have written Claim 52 into independent form. Consequently, all of the pending claims are either allowed or are directed to subject matter that was indicated as being allowable in the Office Action of October 3, 2005. Accordingly, Applicants respectfully request entry of the present amendment and allowance of Claims 49, 51 and 52.

Respectfully submitted,
